Gonzalo,

Here is the supplier audit with which you helped me during my last visit…..

Good Luck on your audit.

Hi Rob

We are going to have the ISO 9001 certification for this season in 1 month, and one of the points that is good for us is when one of our customers does an audit to our protocols, would be possible to get a copy or the conclusion of the adit that you did in your visit to us?

Some type of document with what was revised and how did Crookham score this questions.

thanks for your help in advance.

Regards
